Double glazing Central heating

This caravan combines all the features of a luxury caravan such as double glazing, central heating and detailed furnishings at an excellent price. What is particularly nice about this caravan located on this plot is the large front windows which allow for maximum views out towards the sea and Cardigan Coast.

The front of the caravan features the living, dining and kitchen area in quite an open-plan layout. There is a central fireplace and large corner media unit, giving the space a tradition feel. The three-piece-suite allows for maximum comfort whilst relaxing.

The dining space has a free-standing table and chairs to allow you to configure the layout to your requirements and make the most use of the space. The compact U-shaped kitchen has everything you need including a large free-standing fridge and freezer.

The rear of the caravan has a twin bedroom and bathroom with an under-sink vanity unit. The main bedroom, also with ensuite, feels light and spacious thanks to the large, floor length window. Yet it does not compromise on storage, with full size wardrobes, over-bed shelves and a dressing table area.

New curtains throughout add a fresh touch to this exceptionally well-kept caravan, providing the ultimate comfort for you to enjoy your time on our park.
