If you're looking for a simple, modern caravan then this is for you. The calm colours and streamline design feel relaxing, yet homely.

The living / dining area features a large fitted sofa and corner dining seating. There is a central, gas fireplace and corner television unit, creating a cosy feeling in the living space.

The kitchen is cleverly separated with a breakfast bar style cupboard unit and makes efficient use of the space by the main door to the caravan.

As you move through the caravan towards the main bedroom, there is a twin bedroom which has over-bed shelving and some cupboard space. Still in muted tones, but with a pop of homely colour, this room is ideal for the occasional visitor.

The main bedroom is simple in design, with a corner dressing area and plenty of wardrobe space. This caravan also has an ensuite bathroom in the main bedroom.

The main bathroom has a large shower with white bathroom suite and spacious under sink storage.

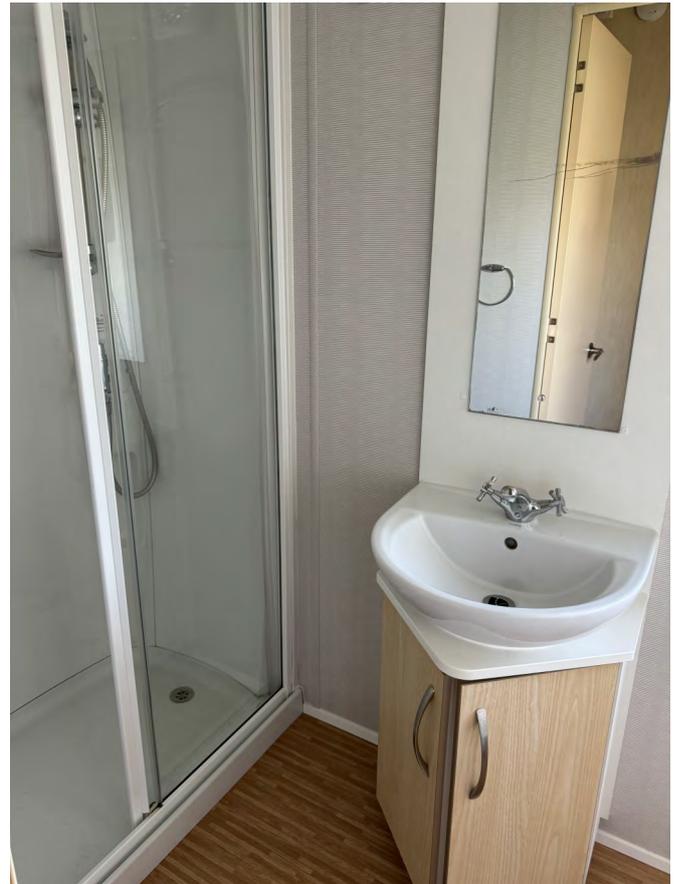

With double glazing and central heating, this caravan offers the perfect amount of cosy luxury for those who enjoy a more simplistic style of décor. The perfect balance as you enjoy your stay on our park.
