

GRANADA

The Granada is the perfect home for couples and families alike. This is the home to create memories in; you can imagine it being full of family and friends, laughter and love. No wonder the Granada is one of our best sellers.

Features you'll love include:

- A choice of upholstery means you can have the family friendly Riverdale or if cream is your thing then consider Harvest - both go fabulously with the curtains and cushions.
- What is a stand out in the Granada is the amount of storage - everywhere you look there's a cupboard or shelf, a great nod to the past but now with a contemporary twist.
- Bring all your family and friends around to the Granada with super-sized wraparound seating.
- No room feels compromised for size in the home. Each layout has been designed to maximise space and consider your holiday lifestyle.

Best for storage

All Granada photography is of the 38 x 12.5 2 bedroom model with optional single sliding patio door, central heating, MP3 sound system and bedding pack.
